The Massachusetts and New Hampshire Fruit Growers' Associations are sponsoring a joint commercial tree fruit growers' twilight meeting. This meeting will feature a tour of the orchard, short presentations on pest management options and fruit thinning. Extension Specialists from the University of Massachusetts and University of New Hampshire Cooperative Extension will be making short presentations.

Two (2.0) New Hampshire pesticide-license recertification credits will be offered. You must sign in by 5:15 p.m. to receive pesticide credits!

The meeting will begin at 5:15 p.m. and will run until around 7:30 p.m. We will be starting at the packing house and will be going out to the orchard at 5:30 p.m.

Come prepared for the weather conditions of the day. Individuals requiring special accommodations in order to participate or for more information, contact George Hamilton at the UNH CE - Hillsborough County office at (603) 641-6060 by May3.
