

**In case of suspected pesticide poisoning get prompt medical attention!**

**POISON INFORMATION CENTER  
TELEPHONE NUMBER**

**The previous numbers for state poison control centers have been replaced by a national toll-free Poison Information number. The equipment automatically detect the area code you are calling from, and connects to your state's center. Some Poison Information Center numbers will eventually be terminated. In the event of a PESTICIDE POISONING, please use the new number:**

**1-800-222-1222**
